1	THANK YOU for your availability and your effort!! Greatly appreciate your help!
2	Overall, Jeffrey was a very good TA, expanding on the material presented by professor and making sure students understand the material. His sessions were very useful. Absolutely no complaints. 1- out of 10 would be TA'd by Jeffrey again
3	Jeff was very helpful and readily available to help. he was prompt in responding to emails and was always available for extended office hours. Jeff was also happy to help us prepare for other courses that we felt confused and lost in.
4	Jeff was extremely helpful! He explains complex concepts in simple language :)

5	Jeff is very knowledgeable of the subject matter and did an excellent job of conveying information to the class. A shared opinion that many of my colleagues and myself hold is that Jeff is a great TA who really cares, that one leaves class feeling a lack of confidence, on a topic that was covered.
6	Jeff is the gold standard for TA's, couldn't have asked for more!
7	Jeff is an asset to the school of economics. This guy deserves triple thumbs up.
8	Jeff always marked assignments promptly and gave good feedback, and he would always answer questions to the best of his ability, with the student's learning in mind. Jeff treated every student with respect and took extra time to explain concepts. He held extra office hours to help the class work through more difficult content.
9	Jeff Hicks is an outstanding TA. He makes himself available through emails, lab times and office hours, he is a very effective teacher and his feedback on assignments is timely and well-considered.
10	I believe that Jeff's work was excellent. He was a strong support for the learning of the class. I really recommend him for next cohorts.
11	He is very helpful and committed to his work
12	Extremely helpful, went out of his way to help students. Excellent at his job

1	Jeff provided notes on the main content of the course which was extremely helpful in studying for the final exam. He went above and beyond to ensure that students were being given every opportunity to grasp concepts. Jeff was the most effective and helpful TA I have ever worked with at UBC.
2	Jeff is THE best TA I've ever had. He made the material very accessible and would always go out of his way for his students. Everyone I've talked to all loved Jeff and have nothing negative to say about his teaching and performance at all. Without him, I don't think I would have done as well, or realize my potential and interest in microeconomics. Thank you so much Jeff!!!!
3	It seemed as though Jeff and Kevin had effective communication and worked well together. The content we covered in class was mirrored in the tutorials and prepared us well for the assignments and exam. Jeff used coherent and structured techniques to help clarify uncertainties and it was clear he understood the material well.
4	He was perfect
